# Door Categories

## Membrane Doors

These doors are made in our factory by combining HDF molded doors with solid flush doors. Thereafter the doors are pasted with imported PVC membrane film to reinforce the wonder of doors. The doors are free from swelling, crack, joint separation etc. Membrane doors are categorized into:

- Plain Membrane
- 2 Dimensional Membrane
- 3 Dimensional Membrane
- Digital Membrane

## Laminated Doors

Laminated doors are made with PF synthetic resin which make the bondage of doors very strong. Thereafter all the doors are pasted with laminated sheet.

These are waterproof doors and can be used anywhere. The doors are made in numerous texture, smooth finish designs to make your place beautiful.
