

In a cluster of suppliers, we stand apart as winners, Freedom, born to win the customer appreciation for tiles. Established at morbi, India, Rajgadhia Industries is the latest and the most advanced technology backed tiles manufacturing unit in INDIA.

Founded by a group of stalwarts from the ceramic industry we have the vision of attaining one of the top five positions in industry recognition and brand respect. With total experience of founders being more than 20 years in different function of ceramic industry, being top should not be difficult, but it will be challenging for us.

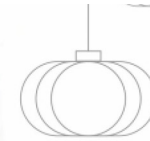

Our technology, quality consciousness and a knack for designing the different will be the principles we are guided by. Using the best raw materials, keeping the machines and equipment efficiently working, motivated to move towards top of brand competition.

A clear and undeterred decision to relate to the customer by relationships, listening and learning their needs are the basic procedures we employ to stay ahead in the game. While we satisfy all our customers, our focus will be to delight them and keep them delighted.

We have a strong network of retailers and dealers across India who shares our philosophy with the love and support of architects and interior designers who criticize us positively and advise us on coming trends, we back ourselves to be the best in coming time.
